Safe Zone: All critical elements (text, images, logos, etc.) must be kept inside the blue box. Anything left outside the blue box won't look good as it will be too close to the trimmed edge.

Trimming Edge: Please allow for 1/4" cutting tolerance around your design. We recommend no borders due to slight shifting in the cutting process which can cause borders to appear uneven.

Bleed: For this retractable banner there is a 1/2" bleed at the top, a 6" bleed at the bottom and a 1/4" bleed on the left and right sides. Make sure to extend the background images or colors all the way to the edge of the box.

300 dpi - Visible Graphic Area: 31" x 77.5"
With Bleeds: 31.5" x 84.25"
